Objective

Enthusiastic and detail-oriented MCA student with a strong foundation in programming and web development. Seeking an entry-level software development role to apply skills in C, C#, Java, Python, and web technologies while contributing to innovative projects in a dynamic environment.

Education

Master of Computer Applications (MCA)

December 2024 – Present

National Institute of Engineering (NIE), Mysore, India

Bachelor of Computer Applications (BCA)

October 2021 - June 2024

Cresta First Grade College / University of Mysore, Mysore

XII (CBSE) | Kendriya Vidyalaya Mysore

2021

Experience

Internship |

C-DAC FutureSkills PRIME , Aditya Tech Park Private Limited | April 2024

Developed a Tic Tac Toe game using Unity Hub with C# scripting for game logic and player input, and designed the user interface using Unity UI tools.

Skills

- **Programming Languages:** C, C#, Java, Python
 - **Web Technologies:** HTML, CSS, JavaScript
 - **Database Management:** MySQL, SQLite
 - **Tools & Technologies:** Git, Visual Studio Code , unity hub
 - **Soft Skills:** Teamwork, Problem-solving, Communication, Time Management
-

Projects

TIC TAC TOE GAME ON UNITY HUB

Developed a Tic Tac Toe game in Unity Hub with C# scripting, focusing on game logic, UI design, scene management, asset integration, and testing.

HEART DISEASE PREDICTION SYSTEM

Built a predictive system using Python and machine learning to detect heart disease and assess severity, with data preprocessing, model training, and a Flask-based web application for real-time prediction.

Certifications

- **Google UX Design** [2025]
 - **Web Development**, udemy, [2024]
 - **Introduction to C programming**, udemy, [2022]
-

Extracurricular Activities

- **Member**, Coding Club, Cresta First Grade College, [2021]
 - Organized coding challenges and workshops.
-
